ANNUALS

Judge: Professor E. W. Withers

The Journalism Foundation

Washington-Lee University

Lexington, Virginia

Group II. The Green Knight. Dickenson Memorial High School. Clintwood.

The Green Knight is a very expensive annual that is only moderately effective. Your entry blank does not list enrollment, but if you could double your sales (a lively book full of surprises might help you do this), the per-copy production cost might be considerably lower.

The same general criticisms apply to your annual that do to many others. It lacks enough originality, imagination, and alertness. Almost everything is done in a routine manner and there are no surprises. I found your art work (division pages) quite ambitious yet good. Despite the seeming congruity of black-letter type opposite the drawings, I believe a newer type face would have been more attractive. Pictures are of slightly uneven quality and certainly not distinguished in conception. On page 31 there are not enough snapshots. Copy is routine and has the usual clichés.

The Green Knight might be made more effective if its staff were to study carefully the best yearbooks for ideas which it could make its own.

We Proudly Present

The Green Knight

of 1947

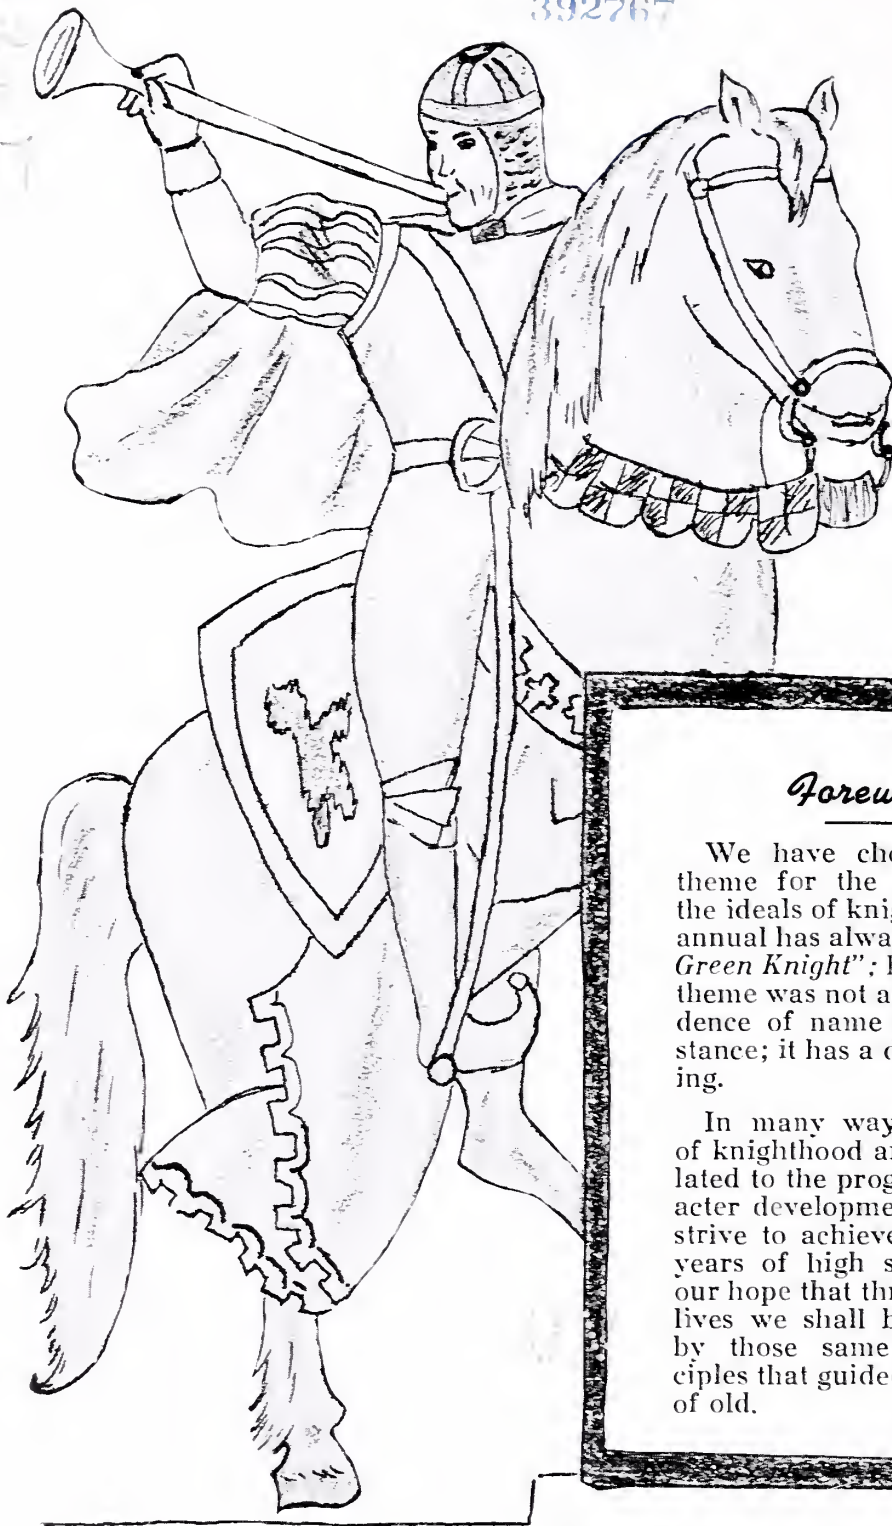

Published by the Senior Class

of

Dickenson Memorial High School

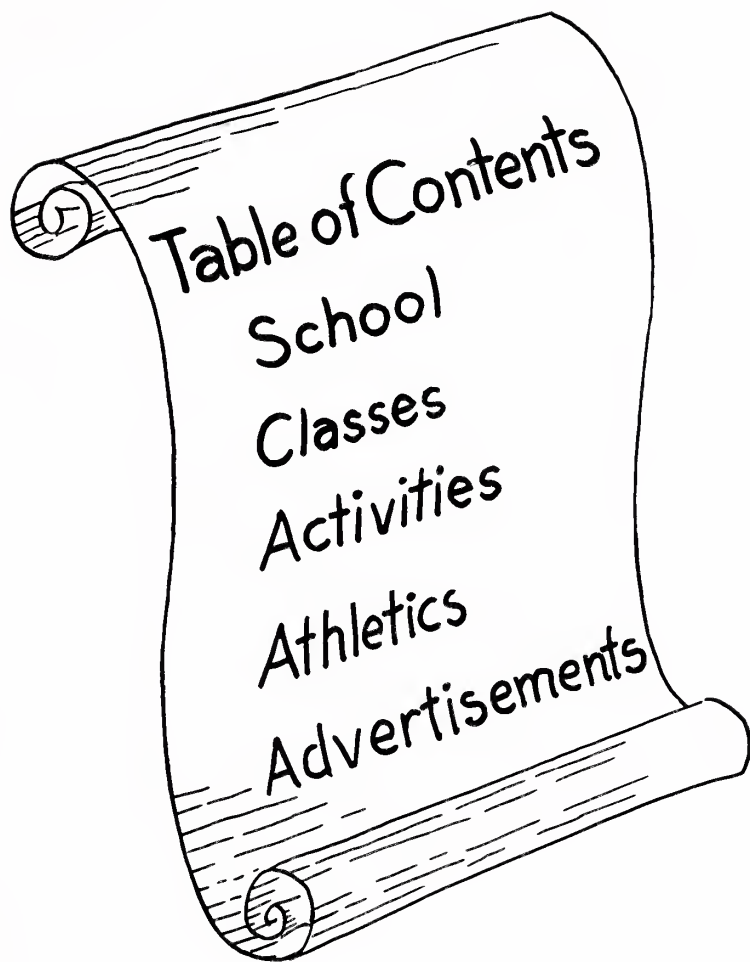

Clintwood, Virginia

Foreword

We have chosen as our theme for the 1947 annual the ideals of knighthood. Our annual has always been "*The Green Knight*"; however, this theme was not a mere coincidence of name and circumstance; it has a deeper meaning.

In many ways the ideals of knighthood are closely related to the progress in character development which we strive to achieve during our years of high school. It is our hope that throughout our lives we shall be motivated by those same high principles that guided the knights of old.

Dedication

It is with love and pride that we, the members of the Senior Class of Dickenson Memorial High School, dedicate this—our annual of 1947—to you, Our Parents.

We realize that one of the most important factors in our completion of high school has been your self-sacrifice, your hopes for us, your expectations of us, and your confidence in us.

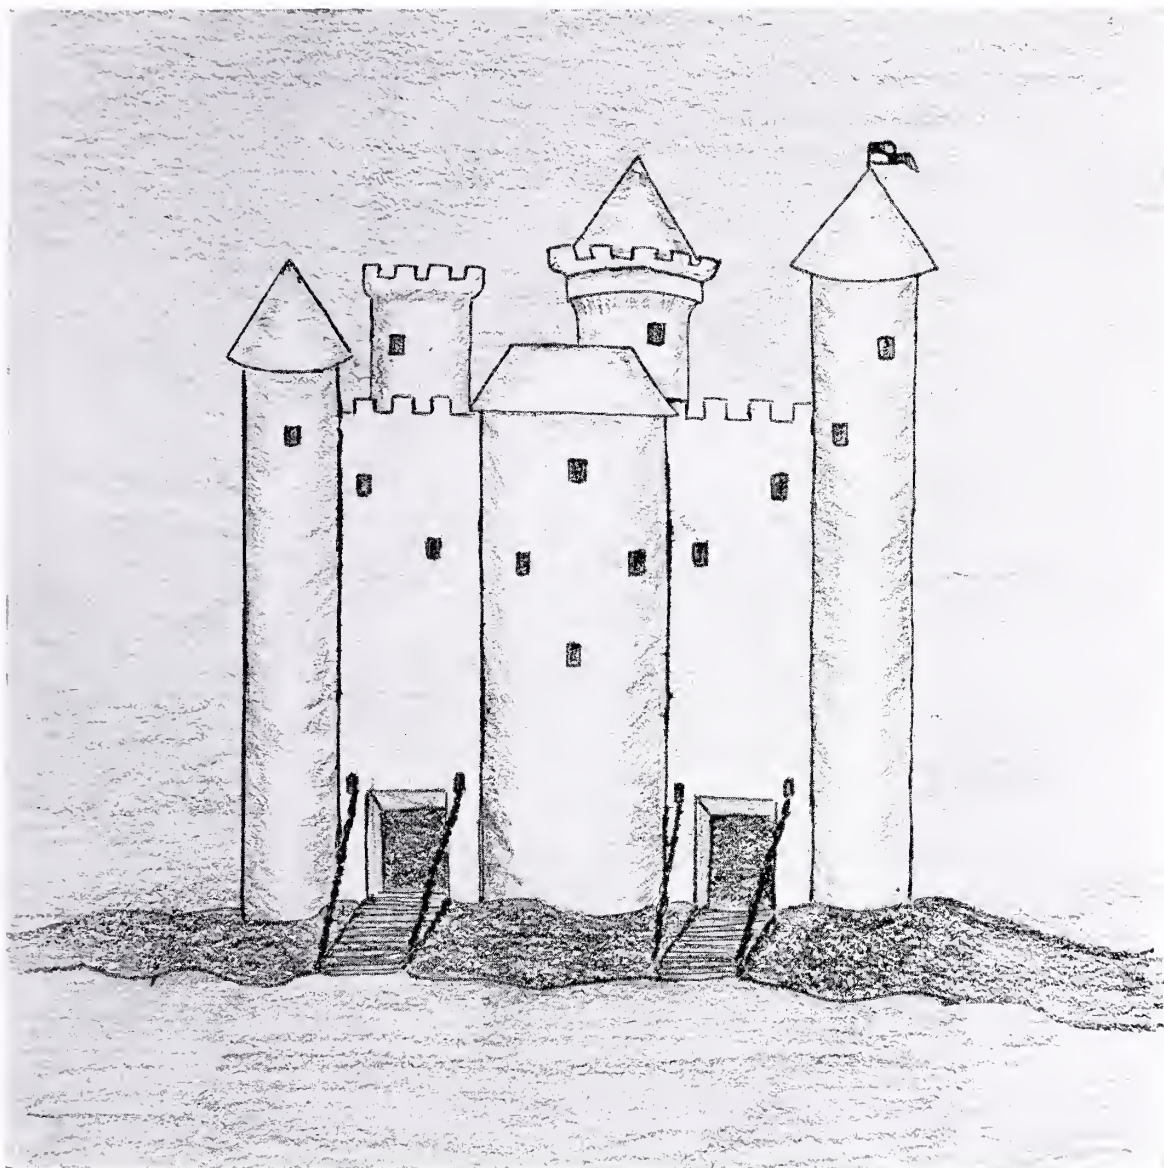

Accept our annual, Dear Parents, with our tender thoughts of you, on this our Graduation Day, as a small token of our gratitude to you.

To Our Parents

SENIOR DIARY

- August 19*—D. M. H. S. opened its school year. This was a great day, a day looked forward to, particularly by the members of the graduating class of 1947. We are to be the bosses, so to speak, of the year. Ambition to do a great year's work was felt in the air—time will tell!
- August 27*—The Hi-Hatter Staff was organized. Was this staff really hi-hat or was it our imagination?
- September 6*—Football season opened. This game with Richlands was not the answer to our hopes—defeated by the opposing team 33-0. Cheerleaders have been added to give color and pep to the games.
- September 20*—Senior Class Officers were elected, President—Cecil Sykes, Vice-President—Margaret Remines, Secretary and Treasurer—Johnny Sutherland. This group should successfully lead the Senior Class.
- October 4*—Work was begun today on our Annual, The Green Knight. Everything is secret, undercover work, until the year-book is published. We hope you look forward to the day when you receive your copy—the road looks hard from here.
- November 2*—Football season ended. It has been wonderful to be able to have football again—fun to see our own team play. This day brought one of the four great victories of the season—we defeated Glade Springs 24-0.
- November 6*—Oh yes, we do have social gatherings! Tonight the Seniors had a Weiner roast at the famous Cranes Nest Picnic Grounds. We ate plenty but we socialized more. After the picnic we went to the skating rink—Douglas and Thomas won the prizes for falling down.
- November 11*—Armistice Day Program was presented by members of the American Legion. We were glad to have the visitors who helped us remember that our parents and citizens fought and suffered in World War I as well as in World War II. God grant that we shall never lose sight of the horrors of war.
- November 20*—Basketball season opened. We have our triumphant 5 from last year and they will make their mark.
- November 27*—Thanksgiving Program in Assembly. Harvest scenery gave the stage an atmosphere of the season and the Pilgrim costumes of Clyde and Allene made the program a timely function.
- November 27-December 1*—Thanksgiving holidays. The holiday has gotten off to a happy start.
- December 6*—Mildred Burley gave a program of music.
- December 10*—The pictures came back for the Annual. They are unusually good—hard to believe, isn't it?
- December 11*—Mr. W. R. Hale, impersonator, gave a program in Assembly. It's enjoyment was best shown by the perfect conduct of our student body.
- December 20-December 30*—Christmas holidays. Yes, the real thing—Christmas again.
- January*—A generally uneventful month.
- February 14*—D. M. H. S. boys won the preliminary games in the County basketball tournament.
- February 20-March 3*—An unexpected vacation. Unusually heavy snows interrupted the educational program for seven school days.
- February 27*—We expected to defeat Jonesville in the 8th district basketball tournament, but Drew Pearson apparently overshadows us in prophetic powers.
- March 7*—We won the County basketball championship. Some dreams come true!
- March 21*—Junior Play. Yes, it was good. We Seniors now feel that we are yielding our places to next year's seniors.
- April 25*—Senior Play. For us this was almost the biggest event of the year.

We now look forward to *May 19*, when we expect to receive our diplomas. Soon we will be merely alumni of D. M. H. S. instead of proud Seniors.

SENIORS' ADVICE TO THE UNDERCLASSMEN

We, the members of the Senior Class, realize that we have not accomplished for ourselves and the school many of the things which could have been accomplished by an alert, ambitious student body. Therefore, we should like to pass along to the underclassmen a bit of advice from our vast (?) store of experience.

It is a well established fact that the greater amount of learning one acquires during his secondary education, the more poise one displays during his contacts with situations in later life. During this period there is too little attention given to studies such as science and higher mathematics, which are excellent general training as well as being imperative in many vocations. We ask, not only that you incorporate into your schedules these classes, which are usually evaded, by even many of the better students, as too difficult, but that you pay less attention to merely passing, and more to really learning the subject.

There seems to be a definite lack of school spirit here; this should never be truthfully said of any student body. We admit that school spirit is evident in such inter-scholastic activities as athletic contests, but too many students seem to consider this the only measure of sportsmanship. Not so, Horatio! The highest type of school spirit is fulfilling to the best of one's ability the requests the school makes of you, as an individual, as a class or as a student body. Such loyalty to school policies is one of the greatest character builders in our entire school system.

We could hardly offer advice to you without fully considering the aspect of your future citizenship. Consider the difference in the appearance in the streets of our own town when school is in session and when it is not. After school hours the streets are really unsightly from the vast amount of paper cast heedlessly aside by students of D. M. H. S. The Senior Class fully accepts its responsibility for part of these antics, but not with pride. We sincerely hope that future Senior Classes can improve upon this record.

Such things, of seemingly minor importance, when multiplied by countless other instances, form the real basis of citizenship.

There are two types of citizens. One, the flag-raising type, who on public occasions is always in the forefront of activities, exhorting his comrades to greater patriotism, but when a sewer needs to be built, when a special tax is needed for some worthy cause, his attitude is always, "Let George do it." George does it. He's the other type.

Cultivate more actual knowledge, more sportsmanship, better citizenship and everything else will be added to your life. We can think of nothing more we feel should be added.

The Dickenson Memorial High School Beta Club received its National Charter in August, 1939, and has been an active organization since that time.

From year to year the club's membership consists of the students who have had high scholastic records. It is a non-secret organization for high school students of America. Its objects are: to encourage effort, to promote character, to stimulate achievement among its members and to encourage and assist students to continue their education after high school graduation.

DEBATING

OFFICER

ChairmanHarry Lee Strouth

The Debating Club was organized for the purpose of affording opportunity for cultivating skill in the art of debate for those pupils of school who desire to add this phase to their mental development.

Regular meetings have been held during activity periods. Spirited debates have been conducted on various current questions at each meeting. Those who have shown ability have taken part in our assembly programs and the club has been challenged by independent debating groups within the school for future debates.

The Girls' Glee Club, after several years of inactivity, was reorganized this year by Mrs. N. B. French. The glee club has fifty members, all of whom are high school students. Its purpose is to develop vocal talent, to give its members instruction in part singing, in solo work and to promote fellowship among its members.

BOYS' GLEE CLUB

Clyde Fletcher*President*
 Douglas Collins*Vice-President*
 Harold Kiser*Secretary & Treasurer*

The Boys' Glee Club was reorganized this year after several years of inactivity because of the unusual interest within the student body. There is more talent found among the members of this Club than in any other organization in school.

Probably the main purpose of this organization is to enlighten the musical souls of its members; however, we hope to have them participating in the musical part of our Assembly programs as well as contributing music for other civic organizations.

The music used by the Club this year has been of such nature as to encourage part singing in folk songs, popular songs, and those of a semi-classical nature.

Home Economics is one of the most important subjects a high school girl can take. Regardless of the occupation chosen, every girl needs to have had some study in home making. Aside from its direct value in private life the subject itself leads to various occupations in public service. The Home Economics Department endeavors to supply the necessary training in woman's traditional home activities as well as to give training in the scientific viewpoint of home making. These activities will be invaluable in the student's future social and domestic life.

The Future Farmers of America (F. F. A.) is the national organization for boys studying vocational agriculture in public high schools. It was organized in November, 1928, upon the foundations of leadership, character development, sportsmanship, co-operation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism. Forty-seven states, including Virginia, and two U. S. territories have state F. F. A. associations, each a part of the wide-spread national organization.

The first chapter at D. M. H. S. was organized in 1926, and since that time it has grown into one of the largest in the state. A new school record was set by this year's enrollment.

Athletics

ATHLETICS AS A WHOLE

The athletic program of our school consists of sufficient numbers of sports to provide opportunities for all students to participate. The variety of sports appeal to the typical athlete and also to those who do not care for strenuous games.

Our program is set up to include the greatest number of participants possible. This is accomplished through an intramural program. Through this program the typical American high school sports are participated in; good sportsmanship is developed, an opportunity is given for pupils to enlarge their circle of friends, and recreation is given for those not interested in other extra curricular activities.

Football, after a lapse of four years caused by the war, was the sport of major interest and was the most popular. The team gave a fine showing.

Volleyball and softball was somewhat overshadowed by football but was very prominent in intramural competition.

Basketball also drew major interest because of our fine showing. The county championship is expected to be annexed. The D. M. H. S. quint took a journey to Appalachia for district honors.

MONOGRAM CLUB

Row I: Steele, J.; Dotson, C.; Hamilton, J.
Row II. Compton, C.; Kennedy, D.; Dotson, J.; Hibbitts, H. L.
Row III. Mullins, B.; Remines, H. P.; Stanley, H.; Sutherland, J.
Row IV. Moore, R.; Mullins, D.; Sykes, B.; Dotson, H.
Row V. Mullins, V.; Smith, J.; Mullins, K.; Davis, G.
Row VI. Phipps, H.; Swindall, T.
Row VII. Sutherland, J.; Baker, H.

OFFICERS

Jack Hamilton*President*
 Cecil Dotson*Vice-President*
 Johnny Sutherland*Secretary and Treasurer*

The Monogram Club is composed of athletes and managers of our high school who have won a letter in athletics. This year the club is composed of twenty-three members.

The purpose of the club is to promote sportsmanship and interscholastic athletics as well as prevent illegal wearing of our school letters.

The only social function of the club this year was a banquet for Coach H. M. Deel at the Community Building.

FOOTBALL

D. M. H. S. opened the season by traveling to Richlands on September 6. With the lack of experience, the main factor, we received a decisive defeat by this strong team.

The following week we ventured once more into Tazewell County. Although making a fine showing by gaining plenty of yardage we never had the scoring punch. Tazewell finally come out on top with a 24-0 win.

Gate City handed us our third straight defeat 27-6. Cecil Dotson scored our only touchdown of the game.

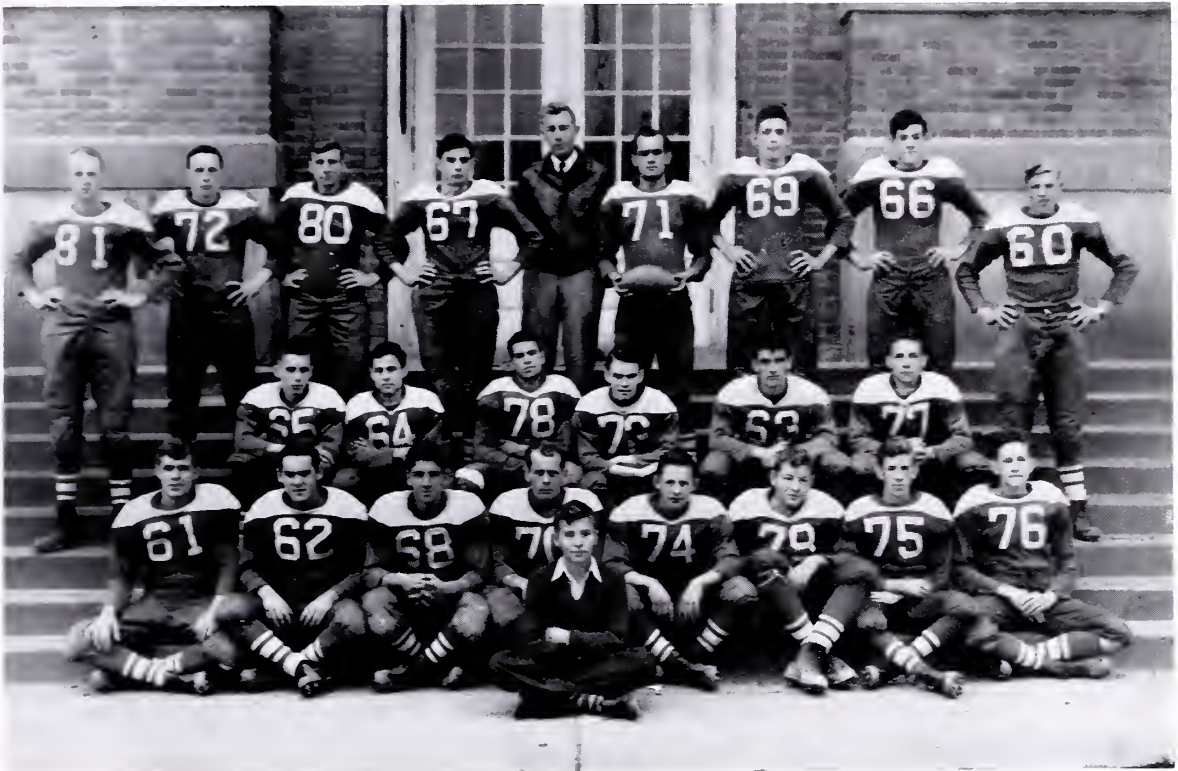

After three weeks of travel we returned home to entertain a fighting Meadowview team. We were held to a 7-7 tie by this stubborn team. We advanced to their two yard line as time ran out. A good-sized crowd came out for Clintwood's first home football game in 5 years.

D. M. H. S. rolled to three straight victories within the next three weeks by downing Damascus, 45-7, Rich Valley, 39-14; and the highlight of our season came by defeating St. Paul 26-7, a strong Wise County Team. The Steele brothers, Homer and Jess, with Cecil Dotson provided the scoring punch in these three triumphs.

Gate City once more defeated us 26-7 in a bruising battle.

We finished out the season by defeating Glade Spring 24-0.

FOOTBALL

Row I. McCoy, A.; Mullins, B.; Swindall, T.; Steele, H.; Remines, H.; Dotson, J.; Webb, N.; Clay, L.; King, D.

Row II. McFall, J.; Moore, R.; Fleming, F.; Sutherland, J.; Lockhart, J.; Mooney, T.

Row III. Baker, H.; Dotson, C.; Mullins, V.; Kennedy, D.; Coach Howard M. Deel, Steele, J.; Sutherland, J.; Yates, A. L.; Meade, W.

After a lapse of five years D. M. H. S. fielded a football team. With two boys of which had experience, D. M. H. S. had a successful year. The team won four, lost four and tied one game. After a slow start while gaining experience and meeting top competition, D. M. H. S. won four of their last six games and tied another. The team defeated: St. Paul, Rich Valley, Damascus, Glade Spring; the loser from Richland, Tazewell, and two from Gate City; the team was held to a tie by Meadowview.

BASKETBALL GIRLS

Row I. Artrip, E.; Mullins, L.; Fleming, J.; Fleming, J.; Rose, J.; Beverly, I.
 Row II. Terry, T.; Davis, J.; Adkins, H.; Fleming, B.
 Row III. Robinson, F.; Rose, F.; Lester, P.; Mr. Deel, Coach; Grimes, E.; Bise, M.; Hylton, E. M.

Although the D. M. H. S. sextet didn't enjoy a very successful season they promise to be a fine team in the future. Scholastic inability and marriage took four first team members from the squad as the season opened. Even this didn't stop the girls from a fair year in competition. At the close of the season they have matched the finest team in play by improving play. They completely outplayed the fast Ervinton sextet in the semi finals by outscoring them 18-10 in the last half but the 22-0 lead was too much to overcome.

 Row II. Manager, Remines, H.; Dotson, W.; Davis, G.; Mullins, V.; Moore, R.; Coach, H. M. Deel; Compton, C.; Mullins, T.; Dotson, J.; Manager, McFall, T.

The D. M. H. S. basketball team had an unusually successful season. The fast quint didn't lose a county contest and we won the County Championship for the third consecutive year. D. M. H. S. smashed Ervinton in the semi-finals by a 47-15 score, in the finals D. M. H. S. easily defeated Haysi 57-34. This fine team lost one district engagement while winning four. D. M. H. S. was eliminated in the quarter finals of the Eighth District Tournament by a strong Jonesville team in a 51-45 score— this was an overtime period.

SOFTBALL BOYS

Row I. Neal, D.; Stanley, H.; Sykes, B.; Phipps, H.; Smith, J.

Row II. Mullins, K.; Dotson, H.; Davis, G.; Hamilton, J.; Dixon, J.; Stanley, H.; Queen, J.

The D. M. H. S. softball team, last year's county champions were this year dethroned by the Ervinton boys. The championship was decided by the final standings. Due to transportation difficulties no tournament was played.

The softball season was overshadowed by the concurrent football season and therefore lost many of the better players to the other sport. Jack Hamilton was the star of the season, being coach, manager, captain, and efficient short-stop of the team. Gordon Davis, dark-horse pitcher, and Harold Dotson, slugging catcher, formed one of the finest batteries in the county, but the team was handicapped by lack of hitting power.

CHEERLEADERS

(L. to R.) Pauline Vanover, Jane Sutherland., Geraldine Stanley, Estelle Artrip, Rosa Lee Hawkins, Allene Collins, Allene Stanley.

Try-outs for *cheerleaders* were held in the auditorium the first week in September. A faculty committee selected the following girls to form a cheerleading squad. These girls were:

Estelle Artrip, *Leader*

Pauline Vanover
Allene Stanley
Allene Collins

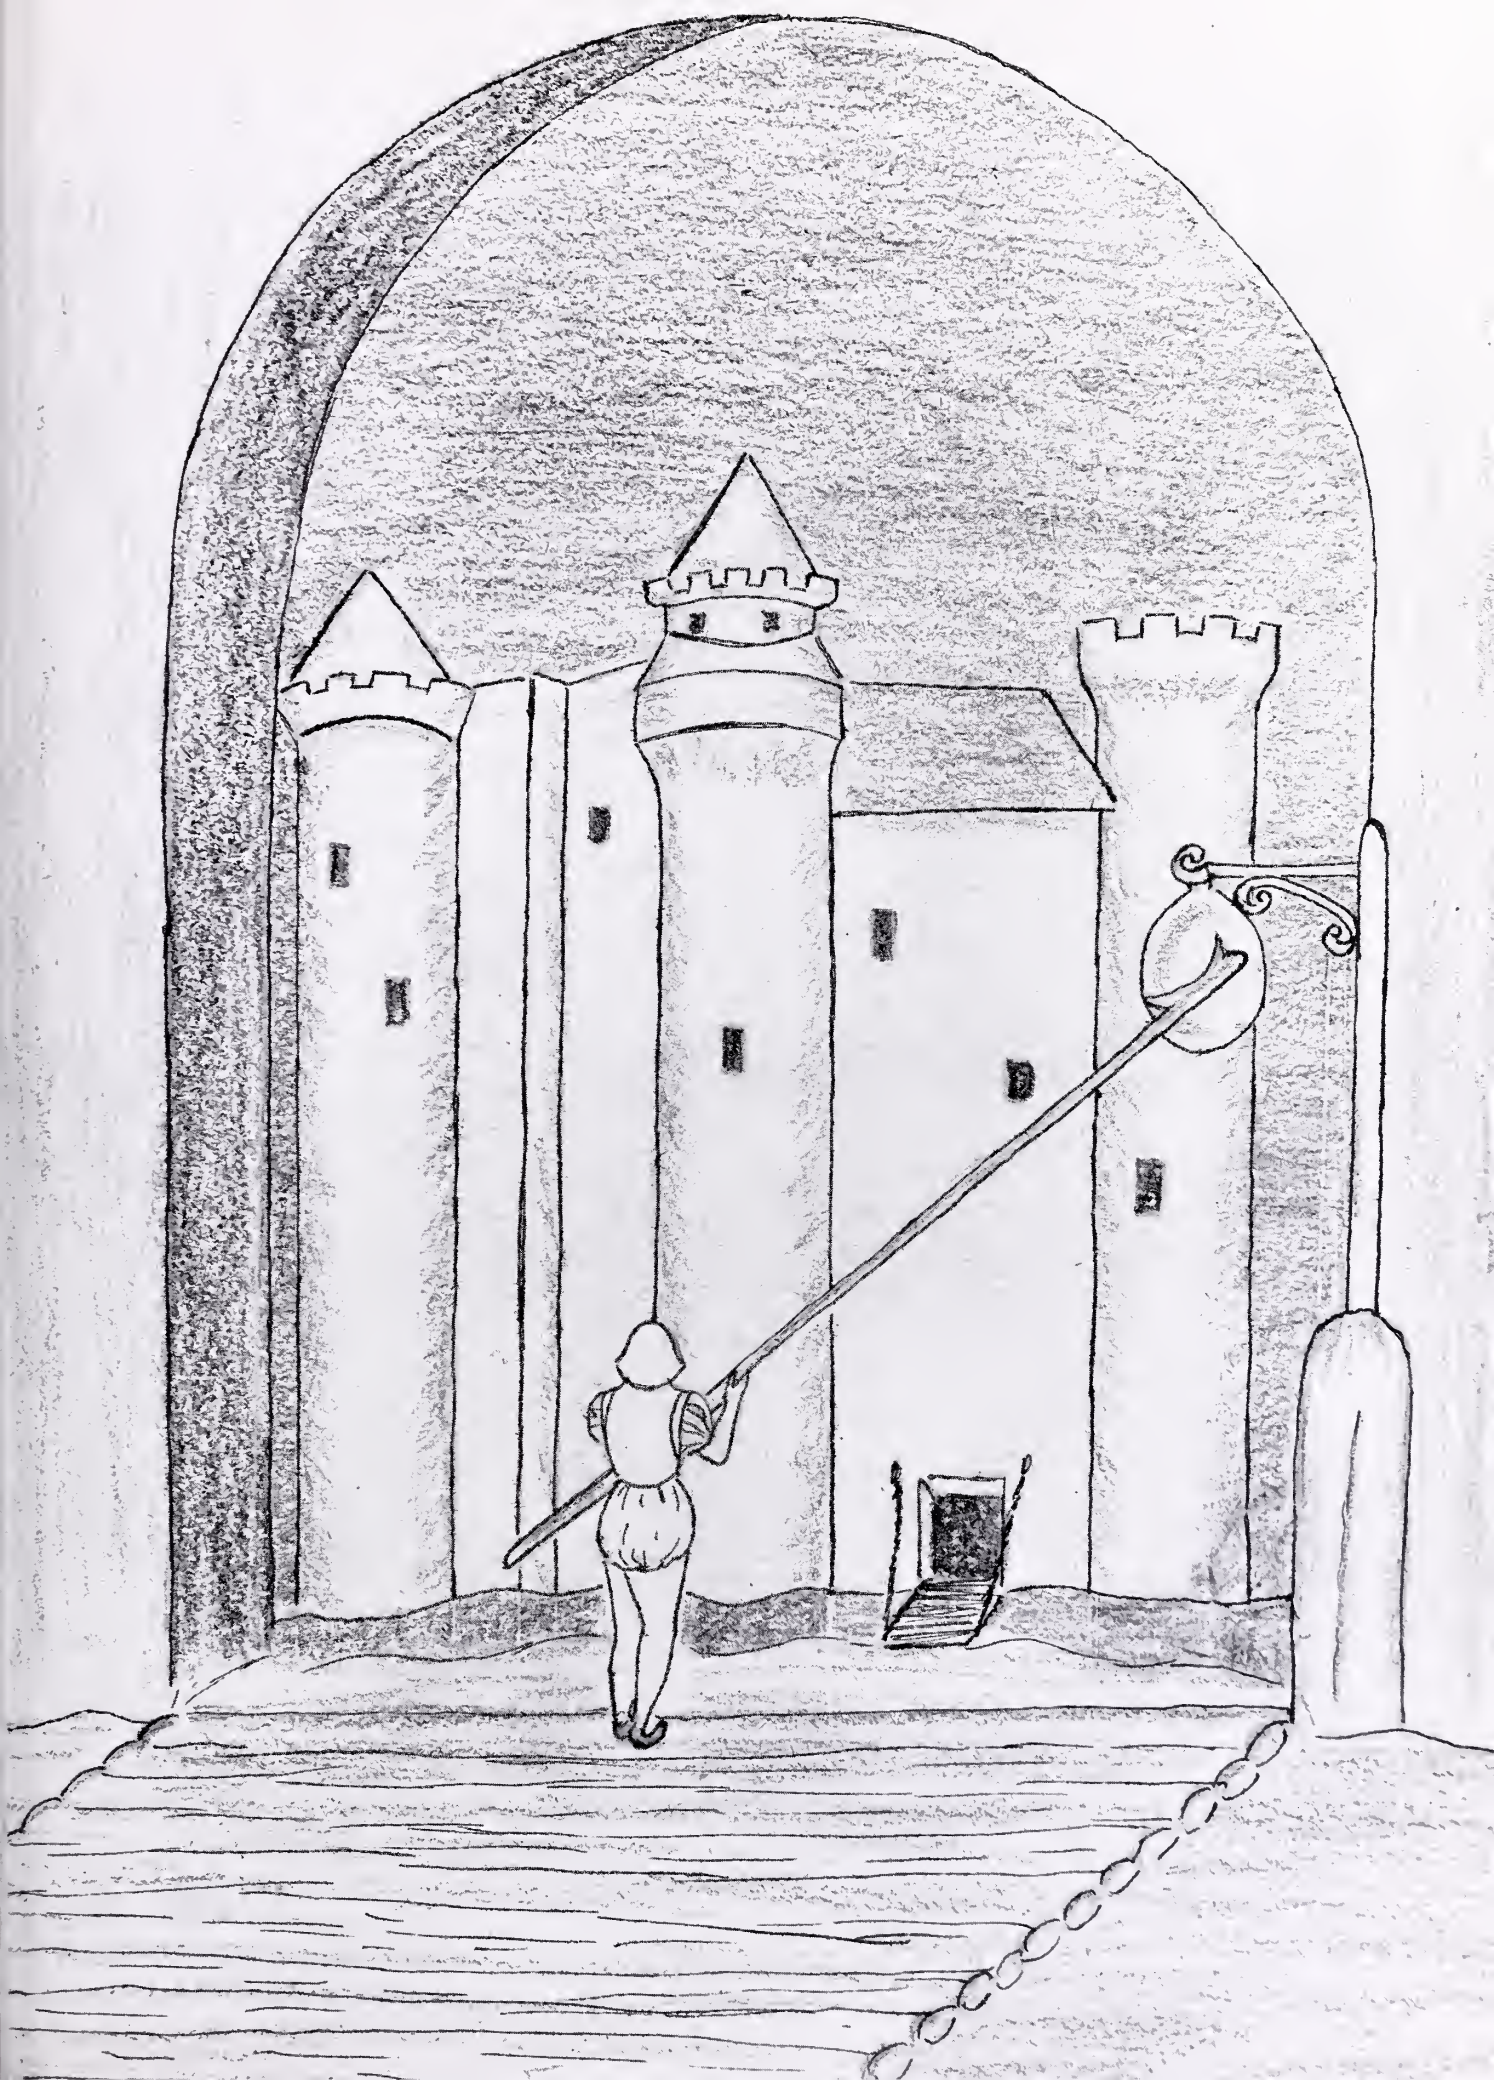

Jane Sutherland
Geraldine Stanley
Rosa Lee Hawkins

Much credit should be given to these girls who spent many hours practicing yells, who proudly wore their school colors and who received so many compliments from the spectators for their excellent display of school spirit. So let's give a *cheer* for our *cheerleaders*— the morale builders of our teams!
